REQUEST FOR EXTENSION OF TIME

Commissioner for Patents
Washington, D.C. 20231

Sir:

The undersigned requests that the initial term for response to the Notice to File Missing Parts of Nonprovisional Application dated March 11, 2002 (which initial term for response expired on May 11, 2002) be extended one (1) month to June 11, 2002. The statutory fee of \$110.00 is enclosed herewith.

As the statutory fee for filing an oath or declaration after the filing date is attached to the Submission of Missing Parts filed contemporaneously herewith, it is believed that no further fees are required for this submission. If this belief is in error, however, please apply any further time extensions which may be required and/or charge any further fees which may be due, not to include the payment of any issue fees, to Baker & Daniels' Deposit Account No. 02-0390.

Respectfully submitted,

Kitisri Sukhapinda
